KAFCE STATE PRESIDENT - NANCY KERNICK'S REPORT – “NETWORKING WITH NANCY”

As 2022 year came to an end, I hope everyone welcomed the year of 2023 with opportunity for new ideas and challenges to make all members of KAFCE stronger and ready to bring positive and enduring benefits to our community. I continue to thank you for your perseverance, provide KAFCE updates, and preview upcoming discussions on the strategic goal

To briefly highlight some of the activities and things that take up my time –

KAFCE EXECUTIVE COMMITTEE MEETING – was held on February 15, 2023, at the home of DeLores Walden, with Nancy Kernick, Faye Spencer, and Tina Bailey sharing their time to do business and thus the decision to have an official board meeting on Friday, March 3, 2023, and another meeting on Friday, June 2, 9:30 AM, by ZOOM. For the JUNE meeting, written reports will be requested by May 15, to prepare for the Agenda, so all Board of Directors reports shall be written and e-mailed to me and Faye Spencer, spencerf.kafce@gmail.com, so they can be combined and sent out to each. We appreciate, Faye as she continues to assist us with our ZOOM meetings.

MEMBERSHIP & FCE RECOGNITION CERTIFICATES were signed.

NAFCE: As State President, Nancy is a member of Nominations Committee and By-Laws Committee and communicates with them by phone and contacted members to be NAFCE Officer.

KAFCE Conference - A committee is hard at work developing guidelines and proceedings for us as many other committees, boards, and members continue their work. I know many of you serve on these committees, and I cannot thank you enough for continuously improving our KAFCE. We had a successful and well-attended KAFCE Conference in Newton and always look forward to getting together and sharing.

KAFCE Heart of FCE nominations are to be judged and the winner to NAFCE.

Essay & Art Contest entries are being received and judged with winner to NAFCE.

KAFCE NEWS – continue to have the Postal Permit allowing you to receive the NEWS. Reports are due to Nancy Kernick and Faye Spencer immediately following the March ZOOM meeting.

THANKS TO EVERYONE – Every day as I get started, what will be the next big project to work on – keeping in touch with so many by telephone, e-mail, and with the assistance of all, it should go smoothly like in the past. Thank you for your efforts in moving the KAFCE towards achieving our “Mission Statement” and continuing for the future. The KAFCE exemplifies that together we are stronger, so together we will continue to work toward supplying greater access to fair and impartial information for our organization.

I thank KAFCE and each member for your prayerful support of me as your President.

AREA DIRECTOR REPORTS:

NORTHEAST – Carol Lintner:

NE Area EPC Committee & myself, met via ZOOM in January to judge all the creative Unit and/or Council Accomplishment Reports and Community Service Projects for 2022! I am always amazed at how FCE's do great things each year for their communities and counties!

Good Work EVERYONE!

Riley County - all three Units disbanded in December, but a few remained as Independent FCEs. Encouraging for 2023, the NE Area has gained 8 new members' and has a strong potential for a 9th FCE returning to her former Unit after caring for her husband!

FCEs that felt comfortable holding an office now, stepped up into Leadership roles for 2023, as those that have given many years of service passed on the baton!

District Recognition Day and Spring Teas Recognition are being planned.

I attended the March 3rd ZOOM, KAFCE State Board Meeting

NORTHWEST – Edith McClain-

I'm still here. Unable to get someone to take the Reins! BUT still searching.

We had a great Fall Workshop in Hays in 2022. The EPC committee did a super job presenting the lessons.

We are now preparing for our Spring Celebration. The Russell FCE Ladies have made the arrangements.

We will meet Wednesday, April 12 at Chet's Place, 711 N. Main in Russell.

Registration and refreshments will begin at 9:30 a.m.

Lunch reservations are \$10.00 and due by April 1 to: Janet Junk, (Phone 785-483-0250 email: jjfunk-farms@yahoo.com). 3038 119th Street, Russell, KS. 67665

SOUTH CENTRAL – Linda Hess

South Central Area EPC met in January to judge reports.

April 24, 2023 will be SC Area Spring Meeting and Recognition Day in Moundridge. We will be celebrating with Viola FCE of Sedgwick County to mark their 100th year. To be part of the celebration contact Linda Hess (lindalhess@hotmail.com).

SOUTHEAST – Cindy Kiser:

The Spring Recognition Day will be held April 18 at the Humboldt United Methodist Church. Susan Stich, an area Master Food Volunteer, will have the program on Kansas Flours. She will explain the difference between the various wheat flours to help perfect our next baking projects.

The Southwind District FCE units will have their Spring Tea on May 4 at the Neosho Valley Event Center, Erie.

The Southeast Area Fall Meeting will be held November 2 at the Southeast Research Extension Center in Parsons.

EPC Leadership Training and the fall board meeting to get their feet wet before they take over. Please be talking to your members that you think would be good as area director and get names to the area director, Karen Larmer, before the Spring Meeting so I can see who is willing to have their name on the ballot.

SOUTHWEST – Karen Larmer:

Southwest Area EPC met remotely to do EPC judging since we didn't receive very many reports for judging. Results and all reports were sent on to the state level. Thanks to Marcy Price for being SW Area EPC Chair.

The Spring Meeting is scheduled for Rush County on April 20. Notices will come out shortly with details. We still need someone to replace Marcy on the committee so all units need to ask members if they would be willing to serve and get a name(s) to the area director by the Spring Meeting since no one volunteered at the Fall meeting. We will also be filling nominating committee positions at the Spring Meeting. Lastly, Southwest Area will be needing a new area director starting 2024 as this is my last year. It would be good to elect someone at the Spring Meeting so they could participate in the State

State Nomination Committee-Sharon Giacometti, Chair

❖ At the 2023 State Conference two officers are to be elected, President-Elect and Vice President. I have contacted and talked to twelve members but none were agreeable to accept the nomination of Vice President. The committee will continue the search for these nominations.

❖ So I have enjoyed talking and trying to convince them to Be Kansas State FCE Vice-President but unfortunately no one would take on the office of Vice-President.

❖ I look forward to seeing each one of them at the State conference in Hays this fall.

State Standing Committees**State Educational Program Committee**-Tina Bailey

Reports from the Area have been received at the State. We are finishing up judging. There will be a zoom meeting on March 6 to tally the reports.

We will be looking for a member to replace me on the State EPC Committee. Please consider this position. You get a real lesson on what is needed on the accomplishment report and other reports for FCE.

This committee is a great way to learn more about FCE and what others are doing to get to the winners circle.

Marketing – Dorene Reimer

Marketing for 2022 was offered at KAFCE State Conference in Newton on October 3-5. Merchandise sold totaled \$375.25. The new marketing item was a small purse notebook and pen set.

I have not been able to travel the state as I did several years ago to take marketing to each of the Areas' Fall and Spring Meetings, so marketing has slowed. COVID also had an effect on what items were available and new items were scarce. Hopefully more unique items of good quality at a lower price will become available again. I hesitate to purchase when prices remain so high.

State Conference Committee – 2023 NW Area – Edith McClain, chair. The 2023

Conference committee has been working very hard in preparation for this year's KAFCE.

State Conference in Hays Oct.2-4. Everything will be in one location (Hilton Garden Inn, Hays, KS) except tours. There will be tour vans available for the scheduled tours. The theme will be "Caught Up in the New Frontier."

Watch for Registration and complete information in the July Newsletter.

Parliamentarian - - Judy Fullmer – Assisting the Board of Directors with a proposed By-Laws amendment to Article VI – Nominations and Elections, Section 1, A.

William Allen White-Children’s Book Award - Anita Felzke: Hello! I received the first round of book titles to start reading for William Allen White in January. The list, at this point, has 78 titles. That can change, usually stays within one or two on either side of the number that we start with from the first list. We will get the second and third round of titles in March and April. I started reading right away and believe I have eight or nine titles “under my belt”. Always fun to get the list. This is my final year (3 year term) that I can be on the W.A.W. committee as a representative for FCE. We have a name(s) from Johnson County to submit for consideration for the next representative. Please check in your county/unit to see if there’s an interest. I can give more details to someone if they are considering it, but want more information.

Proposed Amendments to Kansas Association for Family & Community Education Bylaws

Article VI – Nominations and Elections; Section 1. A (page 10)

Currently Reads:

Section 1 – Nominations:

Each Area shall elect one member and one alternate to serve on the State Nominating Committee every year at the spring Area Council meetings for one term beginning June 1. The President shall appoint a former Board member as chairman of the Committee. Members of the committee may succeed themselves once.

Amend Article VI – Nominations and Elections; Section 1 A – Nominations by substituting the following paragraph:

Each Area shall elect one member and one alternate to serve on the State Nominating Committee every year at the fall Area Council meetings for one term beginning January 1. The President shall appoint a former Board member as chairman of the Committee for one term beginning January 1. Members of the committee may succeed themselves once.

If adopted, the Article will read: Each Area shall elect one member and one alternate to serve on the State Nominating Committee every year at the fall Area Council meetings for one term beginning January 1. The President shall appoint a former Board member as chairman of the Committee for one term beginning January 1. Members of the committee may succeed themselves once.

Rationale: Clarifies the terms of the State Nominating Committee and the Chair.
